SABRE

SAW CHAIN & ACCESSORIES

PROVEN IN THE FORESTS OF THE WORLD BY THOUSANDS OF SATISFIED USERS.

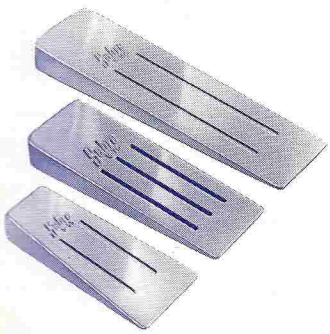

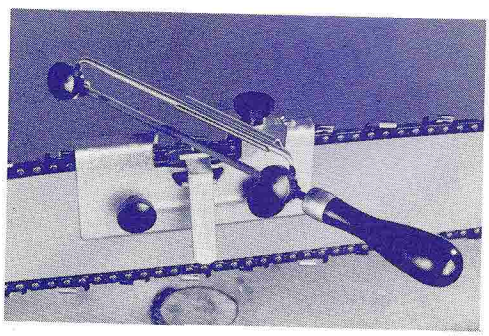

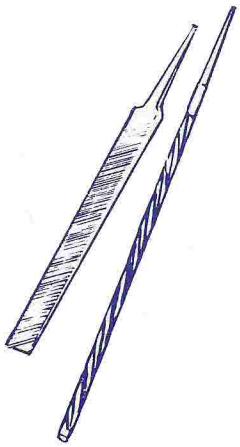

FOREWORD

This catalogue is designed to assist you in ordering Sabre Saw Chain and Accessories. All information and specifications are arranged to permit easy identification and comparison of chain in any desired length, pitch, and gauge.

The contents of this catalogue list the part numbers, description, and suggested list prices on Sabre Saw chain, saw bars, sprockets and accessories.

1. All prices are subject to change without notice.
2. All orders are subject to prices in effect on date of shipment.
3. The prices herein supersede all others, published or written of earlier date.
4. Information or required part numbers should be obtained from the catalogue.
5. As required, addendums will be issued covering any price changes or parts additions.

PLACING ORDERS

1. When ordering merchandise always state clearly:
   - The part number
   - The name of the part
   - The quantity required
2. A confirmed written purchase order must follow all wired or phoned orders.

RETURN OF MERCHANDISE

1. Written permission from Sabre Saw Chain Inc. is required before returning any goods. No credit will be issued for unauthorized returns.
2. A 10% restocking charge will be made on all goods authorized for return.

OBSOLETE MERCHANDISE

1. Sabre does not accept the return of obsolete merchandise.

SABRE Saw Chain Guarantee

1. Sabre Saw Chain carries no time limit guarantee against faulty workmanship and materials. If you believe the chain is faulty, due to workmanship or material, we will at our option repair or replace the chain free of charge. We do not guarantee Sabre chain against failure resulting from incorrect filing, improper bar or sprocket fit, or abuse.
2. Sabre does not authorize any sales outlet to replace Sabre Chain without first having submitted the product claimed to be defective for our inspection.
3. Shipment of products returned for adjustment must be prepaid.

WARRANTY

This SABRE Saw Chain carries a no time limit guarantee against faulty workmanship and materials. Warranty is not applicable if filing and maintenance instructions are not followed.

When ordering replacement rollers, specify diameter of roller and groove gauge.

SABRE

SUGGESTED LIST PRICE

1st Letter N. – Denotes – Needle Bearing
B. – Denotes – Bushing
A, B, C, D, G, after Dash – Denotes – Pitch
A. = 3/8" Pitch
B. = .404" Pitch
C. = 7/16" Pitch
D. = 1/2" Pitch
G. = .354" Pitch
Last No. – Denotes Number of Sprocket Teeth.

Example:

HOMELITE N135–B7 — 7 Tooth Sprocket
B .404 Pitch
N135– is a Needle Bearing number 135–
