McCULLOCH

SERVICE BULLETIN # 1043

MODEL **S44A**, S55A, S44 and S55

DATE 12/5/58

SUBJECT **BETTER FRAME BRACE CLAMP ATTACHMENT**

To prevent the frame brace clamp from slipping off the frame brace, drill a mounting hole through each side of the frame brace at the location shown in Figure 1.

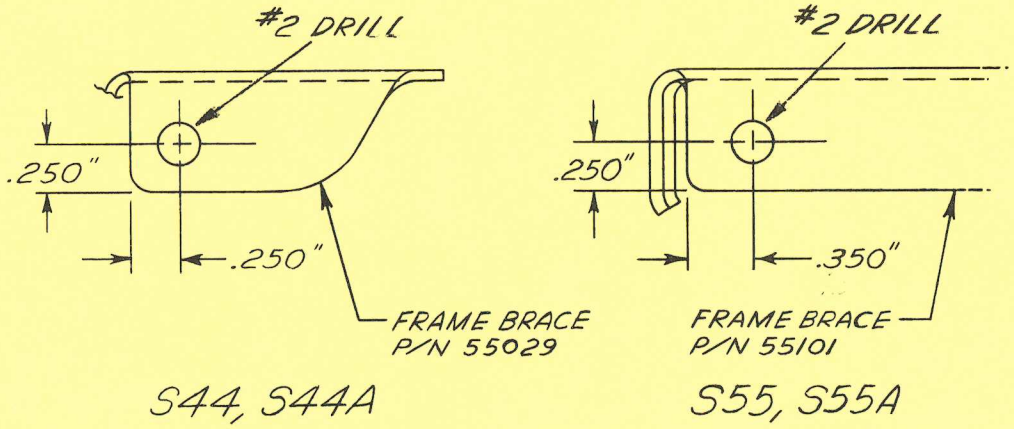

FIGURE 1

Install the clamp on the frame brace with the screw head on the outer side of the mounting hole as shown in Figure 2.
