SUBJECT: Manual Oiler Check Valve, P/N 86438

A new manual oiler check valve, P/N 86438, with greater resistance to gas and oil is now available for the Mini-Mac 6 . This new valve is GRAY in color for purposes of easy identification.

The new valve is installed in all Mini-Mac 6 engines above serial number 11-31798.

Should you service a manual oiler assembly on engines below serial number 11-31798 for oil leakage, it is recommended that this new check valve be installed.

Below is an illustration showing the location of the Mini-Mac 6 manual oiler check valve.
