NO. 1597

MODEL Mini Mac 25, 30, and 35 DATE February 20, 1976

SUBJECT MDC 9 Carburetor, P/N 90440, MDC 11 Carburetor Kit, P/N 90918.

Mini Mac 25 and 30 Chain Saws Model 600093 U, B, P, J, Serial Number Prefix 11, and Model 600093C, Serial Number Prefix 12, covered by Illustrated Parts List, P/N 91417, and Mini Mac 35 Model 600091 U, B, C, G, Serial Number Prefix 13, covered by Illustrated Parts List, P/N 91356, were manufactured with two different carburetors, MDC 9, P/N 90440 and MDC 11, P/N 90918.

Carburetor Kit, P/N 90918, is the service replacement for Carburetor, P/N 90440.

The major change between the MDC 9 and MDC 11 carburetors is the fuel hose fitting on the fuel pump cover and the fuel hose (Fig. 1).

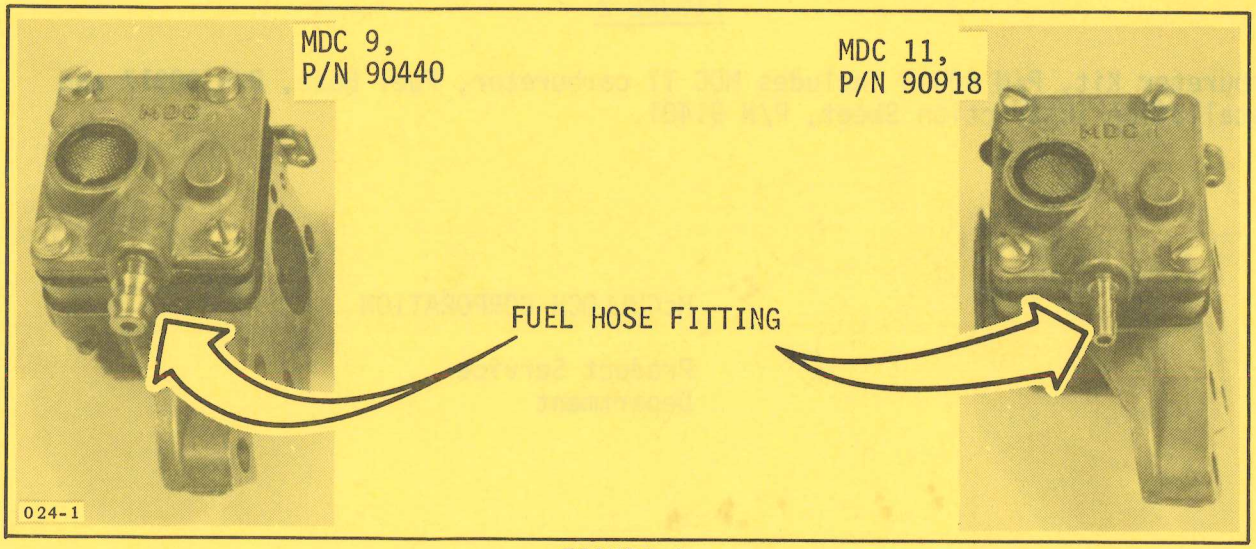

FIGURE 1

The fuel hose fitting on the MDC 9 carburetor has a larger outside diameter and the fuel hose has a larger inside diameter than the fitting and hose on the MDC 11 carburetor.

WARNING

TO PREVENT FUEL LEAKS, MAKE CERTAIN THE CORRECT FUEL HOSE IS USED WITH THE CORRECT CARBURETOR AND FUEL PUMP COVER.

NOTE: Fuel Hose Adapter, P/N 90660 remains the same.
