# McCULLOCH SERVICE BULLETIN

NO. 1610

MODEL Kart Engines DATE July 22, 1976

SUBJECT WARNING NOTICE

There has been an increased amount of advertising and activity relative to using McCulloch kart engines to power man-carrying aircraft.

Our concern about the use of kart engines to power man-carrying aircraft has prompted us to include the following Warning Notice with all kart engines being manufactured.

> WARNING NOTICE
>
> "McCulloch Corporation expressly advises that this engine is not to be used for any type of man-carrying aircraft. It is not designed for that purpose and we therefore feel that it is unsafe for such use."

In addition, we request that you:

DO NOT advocate the use of any of our products for such purpose.

DISCOURAGE anyone who advises they intend to use a McCulloch engine for such purpose.
