McCULLOCH SERVICE BULLETIN

NO. 1635

MODEL Various DATE June 1, 1977

SUBJECT 1. Short Block Assemblies
2. SP 40 Metering Diaphragm Assembly
3. Scrench Price Information

1. Short Block Assemblies are now available for servicing a limited series of models. These assemblies will help simplify ordering and stocking, and will shorten repair time on units requiring replacement of all major powerhead components.

Each short block contains the major powerhead components in one assembly. This includes: cylinder assembly, piston assembly, connecting rod assembly, crankshaft assembly as well as all bearings and seals.

These Short Block Assemblies may not be used for Warranty repair without approval from an authorized McCulloch distributor.

Part numbers, models, pricing and stocking information for the short block assemblies is listed in the following table:

Part Number	Model	Mfg. Sugg. List Price	Stock Code
92560	10-10A	$128.45	A
92559	PM 55	145.45	A
92558	7-10A	166.55	A
92556	SP 60	161.20	A
92555	SP 70	171.25	A
92554	SP 81	182.45	A
92610	SP 125	230.00	A

2. Metering Diaphragm Assembly, P/N 91815, used on SP 40 Carburetor P/N 91571, available in Z packs only at a Manufacturer's Suggested List Price of $20.00 per pack.

3. McCulloch Scrench, P/N 63746, is now available at a Manufacturer's Suggested List Price of $2.90 each.
